**Justice League of America: Worlds Collide v. 6** Dwayne McDuffie, Ed Benes

Superman, Batman and Wonder Woman have re-formed the world's greatest super-team - the Justice League of America! When Kimiyo Hoshi - the hero once known as Doctor Light - goes missing, the League's investigation brings them into conflict with the mysterious Shadow Cabinet, a group sworn to 'save humanity from itself', and which includes the mighty heroes Hardware and Icon...and its not certain which side they're on! Popular animation writer Dwayne McDuffie ("Justice League Unlimited") reintroduces the fan-favourite heroes of colour from the eighties' "Milestone Universe", with the able help of artist Ed Benes ("Birds of Prey").
