Letters to a Young Artist: Building a Life in Art Julia Cameron

In the tradition of Rilke's *Letters to a Young Poet*, an original and inspiring work from the bestselling author of *The Artist's Way*.

Each month, Julia Cameron receives hundreds of letters and e-mails from people around the world who have read her classic work on developing creativity, *The Artist's Way*, and who long to engage in further dialogue with her.

This book provides Julia's thousands of admirers with just that intimacy and illumination. Written in the form of correspondence from a wise, more experienced artist to a young artist who is full of turbulent self-doubt, *Letters to a Young Artist* echoes the many conversations Cameron has with all of the artists whose lives she has touched with *The Artist's Way*.

In these haunting and eloquent letters, the writer answers questions that are central to the artist's journey: How do I know that I am truly an artist? How can I find encouragement? How can I keep moving despite my fear? A rare window into the heart of the creative process, *Letters to a Young Artist* is an inspired volume from this leading authority on creativity and art.
