Mandi

I'm being watched by a thug-a brutal one...

I don't want to be part of my father's criminal legacy.
But when he was shot in the chest and killed, I didn't have a choice.

Devastatingly handsome and ruthless, Carson was now my protector.

He's not one to play and with one look, I know that he would rather just take me where I stand.

To make me his and make me beg.
To own my soul.

The worst thing is, when the time comes,
I am not going to want him to stop.

Carson

I take them and make them mine for a night...

I like them innocent and begging for me. The more I can't have them, the more I want them.

From the moment that I met Mandi, I knew that she was the one for me. But there is a problem. Her father's murderer is still out there and wants her gone too.

I made a promise that I would protect her and I must. But after she is safe, I will have my way with her.

This is a stand alone novel with a an ultra dominant alpha male. This book contains mature themes and language. Intended for 18+ readers only.
