Punk Pioneers

Jenny Lens

Punk Pioneers Jenny Lens

The photographs of Jenny Lens—many unseen, and many more well-known but seldom credited—are poignant reminiscences of a rude and rowdy moment in punk rock history. From 1976 to 1980, Lens took early shots of groups that would go on to be legendary: the Germs, the Go-Gos, Blondie, the Ramones, the Damned, the Clash, Iggy Pop, and many more. *Punk Pioneers* chronicles the music scene as it raged from stadium and glam rock to punk, steadfastly archiving early pioneers, followers, writers, fans, and performers at shows, backstage, and at parties. Lens reveals untold stories with rare and candid images: Joey Ramone poolside before a show in San Francisco; Debbie Harry tearing off her wedding dress on stage in L.A.; Iggy Pop painting on a whim in the Hollywood Hills. This book stands alone as a record of punk legend, capturing the energy and brilliance, passion and frustration, and most importantly the fight for music and art that embodied the punk movement. Featuring a foreword by renowned photographer Glen E. Friedman, this is one of the most important and most beautiful collections of photography of the least documented era in punk.

From reader reviews:

Kathleen Young:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, what the best subject for that? Only you can be answered for that question above. Every person has distinct personality and hobby per other. Don't to be forced someone or something that they don't wish do that. You must know how great along with important the book Punk Pioneers. All type of book can you see on many solutions. You can look for the internet resources or other social media.

Jacquelin Vasquez:

Spent a free time for you to be fun activity to perform! A lot of people spent their spare time with their family, or their friends. Usually they carrying out activity like watching television, about to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Can be reading a book may be option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to test look for book, may be the guide untitled Punk Pioneers can be fine book to read. May be it is usually best activity to you.

James Esparza:

People live in this new time of lifestyle always try to and must have the free time or they will get large amount of stress from both way of life and work. So , when we ask do people have extra time, we will say absolutely indeed. People is human not a robot. Then we question again, what kind of activity do you possess when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, often the book you have read will be Punk Pioneers.

Judith Ellis:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information from a book. Book is prepared or printed or illustrated from each source that will filled update of news. In this modern era like currently, many ways to get information are available for anyone. From media social like newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just looking for the Punk Pioneers when you desired it?
