Rich Love

Aiden Cross is suave and attractive and not quite as rich as people seem to think. His parents have decided that the minor problem of wealth can be solved if Aiden simply marries Victoria Caine. He doesn't think much of the plan, but since he's only about 90% sure his parents wouldn't kill him and claim the insurance money, he figures he'd better do it. Then Saige Gilmore shows up on his doorstep.

Saige was only there to see her father. She certainly never expected to be so instantly attracted to a spoiled rich boy. But she can't seem to stop thinking about him when he's away and fighting with him when he's there.

As the attraction grows, Aiden is left with a choice. Save his family by giving up the woman he loves, or lose everything he's ever known?

A SOLDIER'S LAST HOPE

Scott Lawson thought that his life was all figured out. At the age of 18 he'd had a career that he planned to retire from. But things got in the way...back in civilian life, his parents ranch is slowly failing and there doesn't seem to be anything he can do to help. Until he sees an ad in the newspaper.

What kind of woman advertises for a husband? Especially a woman from the incredibly wealthy Cargill

family. At first it doesn't mean much to him, but then he begins to wonder. State law says that a divorced couple had to split their assets down the middle. Even half of her fortune would be more than enough.

Then he meets Catherine Cargill in person. All red hair and opinions, she tells him something that surprises him. It seems like they're both looking for the same thing. It also seems like his attraction to her isn't one sided. Catherine shares his dreams and his bed with enthusiasm and he starts to hope that the marriage might be more than a sham.

Then she discovers something he never wanted her to know. Will secrets from his past tear apart everything they've managed to build?
