## **Taurus: My AstroBook (Volume 2)** Mr. Vaibhav Chawadre

Taurus zodiac sign is represented by the symbol of 'The Bull' and just like a bull, a Taurus person is strong and silent. In the first instance, a Taurean comes across as extremely quiet and reserved person. Only after you get close to him will you have a proper conversation, rather than simple monologues. He moves deliberately and is as steady as the 'Rock of Gibraltar'. Once a Taurus has made up his mind, it is impossible to move him even slightly. If you leave him alone, a Taurean will come across as a very easygoing person. One of the typical personality traits of a Taurus is passivity. You can count on him to be there when you need him, but he will never be the one to call on you. At the same time, he will know 'what to do' and 'how to do it'. Worrying, fretting or getting nervous is definitely not one of Taurus characteristics. Simply browse this book to learn in respect of the matters of heart, career and finances, business issues, office problems, family tensions, love and relationships, or whatever topic you may have in your mind for each of the zodiac signs
