## **Technology and Kids: A High-Tech and Online Parenting Guide** Scott Steinberg, Johner Riehl

In this 25-page booklet, parents, teachers and schools will discover how to make technology, smartphones, tablet PCs, mobile devices, online games, the Internet, social networks and more safe and fun for children – and how to go about teaching technology to kids. A high-tech parenting guide to online safety, online privacy and social media (including social networks like Facebook and Twitter), it reveals how technology has changed everything for today’s kids and parents, and provides expert hints, tips and advice for integrating it into your home.

Also included in the training guide are a full suite of family tip sheets and discussion guides for teaching safe computing habits, appropriate usage of apps and smartphones, and how to make the most out of high-tech gear like the iPad, iPhone, and Android or Kindle devices. Written by the author of the #1 bestselling Modern Parent’s Guide high-tech parenting series, it shows you how to set and manage technology rules for the home – and make the Internet, mobile devices and high-tech apps, software and gadgets a positive part of daily life. As an added bonus, the booklet features lists of the best apps, websites and tools for teaching technology so you can continue teaching kids about high-tech advancements from elementary school to middle school, high school and beyond.
