Not illustrated. 1822 Excerpt: ... to the earth, as the lopping off the loveliest branch that ever adorned the garden of the world. "Her beauty, which my unpolished tongue can never sufficiently praise, soon got her a world of adorers, princes, who were her neighbours, and more distant foreigners; among the rest, a private knight, who resided at court, and confiding in his youth, his handsome mien, his agreeable air and dress, his graceful carriage, the charms of his easy wit, and many other qualifications, was so audacious as to raise his thoughts to that heaven of beauty. 1 The name of a figure of speech seems to be as much entitled to figure in a romance as many others we find there; for example. Sir Kyrie-Eleison. It is, nevertheless, a little strange, that Don Quixote should not have been startled by its sound; especially as, a page or two after, we find him talking so familiarly about the knight-errant being an emperor in potentia. I must tell your greatnesses that he played to a miracle on the guitar, and made it speak, he was a poet, he danced to admiration, and had such a knack at making bird-cages, that in extreme necessity he might have got a living by that art. So many parts and endowments were sufficient to have moved a mountain, and much more a tender virgin. But all his fine arts and soothing behaviour, all his tricks and graces, had proved ineffectual against my child's fortress, if the cunning rogue had not first conquered me. The deceitful villain so plied me with pleasing trifles, and so insinuated himself into my soul, that, like a faithless keeper, I gave up the keys of the fortress I had to guard: in short, he perfectly bewitched me, and made me give way, by I know not what trinkets. But that which first undermined me and brought me to the ground was a copy of ver...
