The Third Path Volume I: Return to Baku Serban San-Marina

1954, 1962, 1987....What connects these years? Perhaps nothing more than nostalgia yet there is an unmistakable feeling that somehow they are part of a bigger plan. Did you ever play a game where two given numbers are connected in some way and from that connection you must identify the third number in the series? 1954 - the year after Stalin's death. 1962 - the Cuban Missile Crisis. What about 1987? Unknown to the world, 1987 is the year when one hundred and fifty churches go up in flames in Soot, Iowa. Yet a bigger event seems imminent. So while to most Americans 1954, 1962 and 1987 are simply landmarks for the coming of age of three generations by 1987 the brunt force of the US military has been deployed to Soot and code breakers are hunting for a different, hidden meaning. But will they find it in historical records going back to the city founder Roger Arsenault, Canadian land prospector, coal baron, mystic and a cripple? Or is it hidden in The Third Path, the religious belief preached in Soot that goes back to the dawn of the Civil War, a belief in which numerology is key? Would knowing what happened in Monte Carlo, Baku and New York City help solve the riddle of what's going to happen next? Or perhaps there is no tomorrow as all our history was written long ago and has simply been played out ever since, a pre-written script that we can only edit but not re-write? A lone man, but not an ordinary man holds the answers...
Welcome to Volume One, welcome to the Monaco Grand Prix of 1962!
