## **Christmas Music for Easy Guitar with Tablature** Robert Anthony

This book is intended for the guitar player who does not read standard notation to develop their skills at playing melody and chord-melody in several different keys in a fun way. Two versions of each song are included: A simple version with only the melody notated, and an easy chord-melody arrangement. Some of the arrangements are more difficult than others. The songs are arranged in alphabetical order, not in progressive order. You can learn the songs in any order you would like.
