Can One Person Upend a Prophecy as Old as Time?

Hope Carmichael is on the run. The only question is, from whom?

The mark on her neck has branded her as part of an ancient prophecy, the Bearer of the Key. But the Fallen Angels have misunderstood and think Hope is their long-awaited way to regain Heaven by force. Now Hope is chasing down the artifact that could open Heaven's Gates, while seeking to destroy it before the Fallen catch up with her. Will the Triad crime ring track Hope and exact their punishment before she gets the chance? Is the ragtag band of angels surrounding her now there to protect her, or imprison her? And will Michael, the Archangel sworn to defend Heaven at all costs, be forced to deny his love for Hope and take her life, instead, so that the artifact won't fall into enemy hands?

The epic narrative introduced in Dark Hope continues in Dark Rising as Hope crisscrosses some of the most ancient sites in Europe and plumbs the depths of history in search of the truth about the Key, herself, and love. Exploring themes of identity, fate, jealousy, trust, and forgiveness, Dark Rising's mythological scope and moral urgency deepen as we come to understand the choices and consequences faced by a young woman determined to follow her heart and chart her own destiny.
