**Eva (Eve Spanish Edition): Una Novela (Atria Espanol)** WM. Paul Young

Now available in Spanish. From the author of the twenty-five-million-copy bestseller *The Shack*, William Paul Young's most expansive—and controversial—novel to date. Based on more than thirty years of research, *Eva* argues that there is more to the Biblical creation account than ever imagined and that Eva is not to blame for the fall of mankind.

Now available in Spanish—*The Shack* shattered our limited perceptions about God. *Eva* will destroy harmful misconceptions about ourselves.

When a shipping container washes ashore on an island between our world and the next, John the Collector finds a young woman inside—broken, frozen, and barely alive. With the aid of Healers and Scholars, John oversees her recovery and soon discovers her genetic code connects her to every known human race. She is a girl of prophecy and no one can guess what her survival will mean...

No one that is, except for Eva, Mother of the Living, who calls her “daughter,” and invites her to witness the truth about her story—indeed, the truth about us all.

*Eva* is a bold, unprecedented exploration of the creation narrative in Genesis, true to the original texts and centuries of scholarship—yet with breathtaking discoveries that challenge traditional misconceptions about who we are and how we're made. As Young's previous novel, *The Shack*, awakened readers to a personal, non-religious understanding of God, *Eva* will free us from faulty interpretations that have corrupted human relationships since the Garden of Eden.

Thoroughly researched and exquisitely written, *Eva* is a masterpiece that will inspire readers for generations to come.
