### College Truth or Dare

Sean is your classic nerd. He's shy and self-conscious about his skinny body. Sean's assigned roommate in the dorms is Paul, who is his complete opposite. Tall, athletic and very good-looking. Paul tries to bring Sean out of his shell and one Friday night they end up in a game of "truth or dare" with some co-eds. The game takes a serious turn when Sean is dared to go down on his roommate! Will Sean follow through on the dare? What is Paul's reaction? What happens the next day when they are back in their dorm room alone?

### Going Gay in Bootcamp

All four of us were excited to be in boot camp. We all wanted to be Marines. Nobody minded the hard work, screaming Drill Instructors, bad food or lack of sleep. What we couldn't handle was no sex. Boot camp is thirteen weeks long. Is it possible to go that long without the touch of another person? Tyler was the first to suggest that we help each other out. We found an empty supply closet and got in a circle. My buddy's hand felt great but I wanted more. Soon we were discussing "brojobs". Could we go that far? Does that make us gay? What if we found out that we liked it?

### Massage Turned Into Much More

John had fantasized about experiencing another man for years but could never get up the nerve to try it. Finally he decided to get a massage from a man whose ad suggested that more than just a massage would be happening. John was nervous but excited. Could he follow through with this? What happens when the massage heats up? How far would John go?

### The Class Reunion

Bruce was terrified at the thought of his ten year reunion. A highly successful lobbyist, he couldn't believe that the thought of seeing his old class mates scared him so much. Then again they had made his life total hell, especially Steve Johnson. Bruce had been picked on, teased and bullied. Did he really want to see these people again? Would Steve Johnson be at the reunion? Was it true that Steve had come out of the closet as gay? What would happen if they saw each other again?

## Losing the Bet

Tim and Jason have been close friends for years. Both are straight men and enjoy gambling and watching sports. Every week they make a bet on the Monday Night Football game. Jason recently lost his job and can't afford to lose money so Tim suggests that if he wins the payment is a full body massage with happy ending! Will Jason accept the terms of this bet? What happens if Jason loses and has to perform gay acts on his friend?
