L'attention et l'interprétation

W. R. (Wilfred Ruprecht) Bion

L'attention et l'interprétation W. R. (Wilfred Ruprecht) Bion

À partir de son expérience psychanalytique, Wilfred R. Bion tente ici de résoudre l'immense difficulté que présentent l'observation, l'estimation et la communication d'une expérience qui ne relève pas des sens. Il insiste sur l'importance de la manière dont on considère les phénomènes mentaux, tels qu'ils se manifestent dans les individus ou dans les groupes. Les influences qui s'interposent entre l'observateur et le sujet de son étude, et qui engendrent certaines obscurités, sont examinées en même temps que le moyen de les contrôler. Cela pose le problème du langage : pour formuler et communiquer, l'analyste est obligé de recourir à des formules qui viennent de l'expérience des sens et qui concernent un contexte tout différent. Partant des théories de Melanie Klein, la discussion débouche sur les dogmes théologiques et sur les mathématiques et propose une analogie entre certains concepts psychologiques et la théorie mathématique des ensembles.

From reader reviews:

Catherine Browning:

As people who live in the particular modest era should be revise about what going on or info even knowledge to make these individuals keep up with the era and that is always change and make progress. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know what type you should start with. This L'attention et l'interprétation is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Regina Noble:

The particular book L'attention et l'interprétation has a lot of information on it. So when you read this book you can get a lot of advantage. The book was published by the very famous author. Mcdougal makes some research just before write this book. This book very easy to read you can get the point easily after reading this article book.

Eric Kyler:

This L'attention et l'interprétation is completely new way for you who has intense curiosity to look for some information mainly because it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or else you who still having small amount of digest in reading this L'attention et l'interprétation can be the light food for yourself because the information inside that book is easy to get by means of anyone. These books build itself in the form which is reachable by anyone, yeah I mean in the e-book web form. People who think that in guide form make them feel tired even dizzy this book is the answer. So you cannot find any in reading a reserve especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the item! Just read this e-book style for your better life and knowledge.

Kimberly Martin:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this L'attention et l'interprétation can make you feel more interested to read.
