Not in the NFL

Terry O'Reilly

Not in the NFL Terry O'Reilly

Adam Davis isn't gay! He can't be -- he's a super star NFL quarterback and gay men don't survive in the NFL. But along comes Brendan Fletcher, an outstanding, Super Bowl-winning linebacker who awakens something in Adam, something Adam hadn't known was there. And now it's wakened, the quarterback will never be the same.

Despite the threat to their careers and their personal safety, Adam and Brendan find themselves irresistibly drawn to each other, starting something that grows from gratification of mutual needs to something more. Can these men of strength and power on the gridiron overcome the homophobia of their profession? Can they make what they have found stand for something more important than the fame and fortune of playing NFL football or even becoming Super Bowl champions?

From reader reviews:

Vicki Shah:

As people who live in often the modest era should be change about what going on or information even knowledge to make these people keep up with the era which can be always change and advance. Some of you maybe will update themselves by reading books. It is a good choice for you but the problems coming to you is you don't know what kind you should start with. This Not in the NFL is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Bertha Underwood:

Do you like reading a publication? Confuse to looking for your selected book? Or your book was rare? Why so many question for the book? But almost any people feel that they enjoy regarding reading. Some people likes examining, not only science book and also novel and Not in the NFL as well as others sources were given knowledge for you. After you know how the good a book, you feel desire to read more and more. Science reserve was created for teacher or perhaps students especially. Those ebooks are helping them to put their knowledge. In some other case, beside science guide, any other book likes Not in the NFL to make your spare time much more colorful. Many types of book like this one.

Joyce Hazel:

A lot of e-book has printed but it is unique. You can get it by net on social media. You can choose the top book for you, science, comedy, novel, or whatever by simply searching from it. It is referred to as of book Not in the NFL. You can contribute your knowledge by it. Without leaving behind the printed book, it can add your knowledge and make you actually happier to read. It is most crucial that, you must aware about guide. It can bring you from one destination to other place.

Robert Shaw:

Guide is one of source of knowledge. We can add our information from it. Not only for students but native or citizen have to have book to know the change information of year to help year. As we know those publications have many advantages. Beside most of us add our knowledge, may also bring us to around the world. With the book Not in the NFL we can get more advantage. Don't someone to be creative people? To become creative person must want to read a book. Only choose the best book that acceptable with your aim. Don't become doubt to change your life with that book Not in the NFL. You can more desirable than now.
