Seth Kemp's quiet and secluded life out in the woods is disrupted when he's attacked by a pack of cougar shifters. Hurt and bleeding, Seth has no other option but to seek help from the few friends he has, the Nehalem Pack. All Caleb Kline wants to do is retire from being a hunter. He feels like a failure and just wants to live a normal life away from all things shifter-related, but before he can call it quits he's asked to go on one last mission. To escort a wolf shifter back home safely. It should be easy enough, or so Caleb thought. Discovering that Caleb is his mate is more than a little unexpected for Seth, but the attraction is undeniable. Seth now has to decide if he can give up his life of solitude to build a future with the man of his dreams or let his fears keep him from living his own happy ever after. ** A Siren Erotic Romance
