The Tender Heart (Pocket Puritans) Richard Sibbes

Richard Sibbes always sought to get under the superficial layer of his listeners' behaviour and deal with their hearts, affections and desires. In *The Tender Heart*, he explains that those who are tender-hearted do not simply desire salvation; they desire the Lord of salvation himself. Only when a person is brought to love the Lord with heart-felt sincerity will they begin to hate their sin truly instead of merely dreading the thought of God's punishment of it.
