You Are Not Here Samantha Schutz

A startling novel about love and grief from the author of the acclaimed memoir *I Don't Want to Be Crazy*.

Annaleah and Brian shared something special - Annaleah is sure of it. When they were together, they didn't need anyone else. It didn't matter that their relationship was secret. All that mattered was what they had with each other.

And then, out of nowhere, Brian dies. And while everyone else has their role in the grieving process, Annaleah finds herself living outside of it, unacknowledged and lonely. How can you recover from a loss that no one will let you have?
