Ancient Blood Barbara Edwards

After narrowly escaping a stalker's vicious attack, Lily Alban is left with the ability to see human auras. After moving to the tiny hamlet of Rhodes End, she finally feels safe, and against her better judgment, falls in love. But she soon discovers the man she loves is not a man at all. As a botanist, werewolf Cole Benedict has dedicated his life to researching healing herbs to find a cure for Lycanthropy. He resists his attraction to Lily to protect her from the beast inside him. But when Lily's stalker threatens her again, he's determined to do whatever it takes to keep her safe. Even if that means embracing the instincts of his wolf. Together they must use extraordinary gifts to catch Lily's stalker before he attacks again. But will revealing their innermost secrets to one another destroy their growing love or save them both?
