Blue Blood and Mutiny: The Fight for the Soul of Morgan Stanley Patricia Beard

In March 2005 the business world woke up to an unprecedented full-page ad in the *Wall Street Journal* calling for the removal of Morgan Stanley's CEO. Less than four months later, a group of eight retired, multimillionaire executives had orchestrated a stunning revolt within the most prestigious and—until recently—most successful financial-services firm on Wall Street. Now acclaimed journalist and historian Patricia Beard brings together the entire behind-the-scenes story, exposing the tale that shook high finance. This riveting real-life thriller is a must-read book for anyone who wants to understand the past, present, and future of American business.
