Confessions of a First Lady 2 Denora M Boone

Six months after the shocking confessions and drama unfold in the church, the Millhouse family is left trying to pick up the pieces. Their lives are in shambles with Veronica being gone. MJ is adjusting to fatherhood while Dynasty is taking the absence of her mother extremely hard. How could a woman who knows what it feels like for their mother to walk out on them turn around and do the same to her own kids. The apple definitely doesn't fall too far from the tree. Meanwhile, Veronica has decided to rekindle her flame with Iesha. That doesn't sit too well with Adrian, who has also joined them on their little getaway. Although she's been Iesha's ride or die through it all, Adrian feels she will never have Iesha to herself because of the love she has for Veronica. This drives Adrian to extremities that will cause Iesha's life to be turned upside down. As the search continues for Veronica, secrets are revealed and pieces of the puzzle are put together. An unexpected visitor sheds some much needed light on the entire situation. Why did Veronica really walk out on her family? Is there more to the story? Will the Millhouse family survive and stay strong, or have these confessions destroyed them? Nothing is ever what it seems and just when you think you have it all figured out God allows another bomb to drop. Who will be left standing when the smoke clears and can God repair all that is broken?
