Dangerous Temptations Brooke Cumberland

From USA Today Bestselling Author Brooke Cumberland comes a sexy and captivating contemporary romance stand alone about making wrong decisions, lines being crossed, and boundaries being broken...

One night was all it took...

One night to ruin everything I thought I knew.

From the outside, I had the perfect lifestyle.

Wealthy fiancé, blossoming career, amazing friends.

I wasn't looking to get married yet, but when William—"Manhattan's royalty"—charmed his way into my life, I couldn't deny the security and comfort that overcame me.

To society, I was the girl only after his money. I was the party-goer who managed to seduce a man twice my age to have the lifestyle some could only dream of. I was every magazine's cliché of what a gold-digging whore was.

I wanted to prove them wrong—that our love was real and that I wasn't that girl.

But then everything changed.

One wrong decision. One unfaithful night. One haunting reality.

Perhaps they were right.

The media didn't see it coming...and neither did I.

This is a full-length stand alone contemporary romance novel with no cliffhanger. HEA depends on who you ask.

Recommended for readers 18 and up due to strong language and explicit sexual content.
