Angelino Marquit is determined to get revenge, even if it means killing innocent people for the sport of it. To him, it's all a game. Agent Mike Ramsey has to stop him before the body bags continue to stack up. Marquit tries to make it easy for him. He gives Mike clues throughout the game, and one clue is life can be short with a full moon. What does that mean? Mike's team has to figure it out before another innocent person dies. The ultimate kill will be someone close to the team; that is if they don't solve the clues. Time is ticking, and Mike has four days before Marquit gets his final revenge. This third and last book of the Days Trilogy ends the hatred between Mike and Marquit. Someone does prevail—but who?
