# Gravity's Rainbow (Classic, 20th-Century, Penguin)

*Thomas Pynchon*

## **Gravity's Rainbow (Classic, 20th-Century, Penguin)** Thomas Pynchon

Winner of the 1973 National Book Award, *Gravity's Rainbow* is a postmodern epic, a work as exhaustively significant to the second half of the twentieth century as Joyce's *Ulysses* was to the first. Its sprawling, encyclopedic narrative and penetrating analysis of the impact of technology on society make it an intellectual tour de force.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
