How To Make Your Own Haunted Portrait Sherry Snider

How To Make Your Own Haunted Portrait is a step-by-step guide to making your own paranormal art for your haunted house or your home sweet home. The detailed and illustrated instructions in the book are all you need to create your own creepy pictures with eyes that follow you.

All the materials are listed (with photos). All the steps are detailed (with photos), and all the fun happens during and after the making.

It's fun (and creepy) to watch grandma's eyes follow you. It's even more fun to watch others stare at grandma's eyes following them across the room.

Now imagine a portrait of your favorite writer or your favorite characters from TV, movies, and books watching YOU. Fun! Even better, imagine telling ghost stories around the fireplace with Edgar Allan Poe following your every move.

Put one in your guest room!

Haunting as it is, the illusion is actually fairly easy to recreate. It's based merely on depth perception and angle. Similar customized portraits sell online from \$25 and up. ...MUCH up if you want to have a personal photo converted.

If you want to create your own Eyes-Follow-You portraits, this little ebook is for you. Whether you want a haunted portrait because you love Disney, the haunted mansion, haunted houses, illusions, crafts, or just the novelty, with these instructions, you can easily create an eerie illusion of your own.
