Wolves! Wolves have returned to Florida, or at least in eastern Big Cypress County, and no one knows why or how. Janos Pac, the new Witch of the Wood, is desperately trying to hold Flora May's old Circle together, but things are falling apart despite his best efforts. Stone, the youngest member of the group, is the only one to show up for Samhain. After his first cup of tea, the blue kind, things take an unexpected turn. A plot by the dragons is unearthed and everyone's on the watch for owls. Beware the owls!
