Molly Mouse is busy sweeping up crumbs in her cosy woodland home, when she hears an unexpected knock at the door...

*WHO can be CALLING
so LATE in the DAY?
She PEEKS through the WINDOW,
then GULPS in DISMAY!*

This is a gentle rhyming story about a tiny mouse who helps out a young bear cub. It is sure to become a favorite, comforting bedtime read.

The book will help to teach your children kindness, problem solving, and that they don't have to be big to make a big difference to someone in need. The story and following nature notes are also a great way to introduce some simple facts about winter hibernation to young children.

- Why did the bear cub wake up in the middle of winter?
- What is he now afraid of?
- How can Molly help him get back to sleep?
- Who will she call on to help her?
- Will she ever see the bear cub again?

Written in a smooth rhyming rhythm, this is a fun "read aloud" book for adults to enjoy reading to younger children. The story is brightly illustrated on every page, and the verses are short and simple enough for beginner readers to tackle.

Kids can take P.D. Monkey's latest challenge, by seeing if they can spot the door key that he has hidden on every page. For extra fun and learning, a few simple Nature Notes and Molly Mouse Puzzles are included after the story.
