Pretty Ornate Designs - Left-Hand Edition: Wavy, Detailed Coloring Pages for Adults Aisling D'Art
(This edition is for left-handed colorists. All designs are on one side of the page... the left side. No more reaching all the way across a book, to color with your left hand!)

If you like hand-crafted designs with authentic hippie flair, this is the book for you. Break out your colored pencils, pens, or markers. Turn on some Ravi Shankar music, or the Beatles' white album, and color your way to *bliss*.

If you remember the original Woodstock (or wish you'd been there), this is your kind of coloring book.

This book contains 35 pretty ornate designs balancing broad, open spaces and intricate details.

Everything in this coloring book was created by the artist. No cookie-cutter computerized designs, and nothing outsourced. Every page is printed on just one side, so you don't have to worry about marker ink bleeding through to the other side of the page, either.

Each of these organic design began as a *hand-drawn* flight of fancy inspired by henna artwork, 1960s and 70s pop art, and whimsical swirls of imagination.

Ready for a trip to a more laid-back, relaxing time? *Pretty Ornate Designs* can take you there.

(Also available in a right-hand edition.)
