Sandman Overture Issue 1-6 Cover A Set (Cover B Sets in Collectibles) - Bundle of SIX Vertigo Comics Neil Gaiman

Twenty-five years since THE SANDMAN changed the landscape of modern comics, Neil Gaiman's legendary series is back! THE SANDMAN: OVERTURE heralds New York Times best-selling writer Neil Gaiman's return to the art form that made him famous, ably abetted by artistic luminary JH Williams III, whose lush, widescreen images provide an epic scope to The Sandman's origin story. From the birth of a galaxy to the moment that Morpheus is captured...features cameo appearances by fan-favorite characters such as The Corinthian, Merv Pumpkinhead and, of course, the Dream King's siblings: Death, Desire, Despair, Delirium, Destruction and Destiny. Find out what happened to Morpheus to make it possible for him to be captured in THE SANDMAN #1, and learn secrets of the Endless which Gaiman kept to himself for 25 years. Family secrets. The first issue of this 6-issue, miniseries features a stunning double-page interior foldout.

#2: As Morpheus transforms through the early ages, a mysterious white figure makes his own first appearance. And The Corinthian makes a deal - but it may prove to be a sacrifice that he's not able to live with.

#3: The armies of the night are gathering. The universe is beginning its final dance. Morpheus, far from home, walks the path of madness, accompanied only by himself.

#4: In an asylum in the City of the Stars, Morpheus comes face to face with the creature at the center of the war that will destroy the universe. Time is running out...

#5: The fate of the entire universe hangs in the balance when Dream finally gets his mother's full attention. Magic, joy, war and heartbreak are brought to life on the pages with epic luminosity in the penultimate issue.

#6: The final issue...Featuring cameos by some of Morpheus's favorite siblings, the grand finale of OVERTURE dovetails into the start of The Sandman's first journey, providing new insight into THE SANDMAN VOL. 1: PRELUDES AND NOCTURNES.
