Vampire Dawn J.R. Rain

Six years ago federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire.

Now in VAMPIRE DAWN, Samantha Moon tackles her most frightening case yet. Someone is leaving victims drained of blood, and all signs point to the killer not being a vampire. Meanwhile, Sam can't help but notice the changes coming over her son...fantastical changes that will leave her searching desperately for answers.

As Sam tracks down a ruthless killer, and as her own humanity slips further and further away, an ancient relic holds a secret that will rock her world...and open up a whole new one.
