Developed to meet the demand for a low-cost, high-quality history book, this text is an economically priced version of A People and a Nation, 7/e (©2005). The Dolphin Edition offers readers the complete text while limiting the number of photos and maps. All volumes feature a paperback, two-color format that appeals to those seeking a comprehensive, trade-sized history text. Like its hardcover counterpart, the Dolphin Edition preserves the text's basic approach to American history as the story of all Americans. The text is known for its emphasis on social history, well-respected author team, attention to race and racial identity, and balanced and engaging narrative. Significant revisions to the Seventh Edition of A People and a Nation are reflected in the Dolphin Edition.
