Emergency Care Plus NEW MyBradyLab with Pearson eText -- Access Card Package (12th Edition) (EMT) Daniel J. Limmer EMT-P, Michael F. O'Keefe, Harvey T. Grant, Bob Murray, J. David Bergeron, Edward T. Dickinson

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Emergency Care, Twelfth Edition, has set the standard for EMT training for over 30 years. Updated with the latest research and developments in emergency medical services, this edition meets the 2010 American Heart Association guidelines for CPR and ECC, providing all the practical information students need to succeed in the classroom and in the field. Using the National EMS Education Standards as a foundation, this edition goes beyond the Standards to provide the most current, accurate reflection of EMS practice today. Getting students to think like an EMT, the text integrates scientific principles in a way that's easy to understand, and a host of critical thinking features—including a new chapter, “Critical Thinking and Decision Making,”—helps students learn key concepts while getting a dose of the reality of being an EMT.
