Hannah Coulter: A Novel (Port William) Wendell Berry

"Ignorant boys, killing each other," is just about all Nathan Coulter would tell his wife, friends, and family about the Battle of Okinawa in the spring of 1945. Life carried on for the community of Port William, Kentucky, as some boys returned from the war and the lives of others were mourned. In her seventies, Nathan's wife, Hannah, has time now to tell of the years since the war. In Wendell Berry's unforgettable prose, we learn of the Coulter's children, of the Feltners and Branches, and how survivors "live right on."
