## **Red Card** Carrie Aarons

She spent five years planning a future that will never exist. He spent five years trying to erase a past he can't forget.

London is Leah Watson's fresh start. When she secures the perfect internship during her study abroad semester, with an infamous celebrity public relations firm, she is determined to forge her own path - one that is nothing like her life back in Oklahoma. That plan is tested when British football's bad boy, Killian Ramsey, decides that she's the one he wants and he's playing for keeps.

Will she put her future on hold - again - for the type of man she swore she'd stay away from?

Killian is one bloody good football player. After a tragedy shattered his entire world, the cocky and arrogant face he puts on for the media is a complete lie. When he meets Leah, his heart starts to beat for the first time in years. But when the feelings get too real, his perfectly constructed facade starts to slip.

Will he risk it all to be with her - taking whatever penalties are thrown his way - or will he play it safe?

#### **John Stevenson:**

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Red Card can make you really feel more interested to read.
