E. A. Koetting

The Book of Azazel, the Grimoire of the Damned E. A. Koetting

Hardcover. 184pp. Fine black cloth with gilt lettering to spine, gilt Circle of Pacts on upper board. Sewn, black endpapers, ribbon marker. Printed in red & black, b&w sigils throughout. Limited to 666 numbered copies. From the author "That which follows is the entirety of what I learned from the Demon during a ninety-day journey through hell, with Azazel as my guide. To Azazel... I can only trust that when this work is completed, he will set me free. Azazel is the embodiment of all that is forbidden, all that is secret, and all that I would sacrifice everything for. He called upon me to perform this damnable Operation: to commit myself to Him entirely, in order to possess all that is His. But fear overtook me. I didn't feel ready to drink from that cup, and so I drank from many others, flirting with the power that I knew could only be found in the blackest of rites and through the most obscene pacts. The Demon's call would not be silenced, and it forced me out of the serenity of Ascent, leaving me with no choice than to embrace the power of darkness, in a depth and intensity that I had never before imagined. The Book of Azazel initially seemed to mark my return to the Left Hand Path, to the sinister spirituality responsible for catapulting me into the knowledge and application of my own godhood. As the grimoire unfolded, day-by-day, what the Demon Azazel revealed to me obliterated every assumption that I've ever made, and has left me with little else to say. The magnitude of Azazel's teachings have left me speechless, for the first time in decades. What is recorded in this book: the rituals, the evocations, and the revelations.. says all that can ever be said, and much, much more. It has also left me with the conviction that real power - the kind that can crumble nations and raise empires out of the sand - can only be found in the forbidden, in the demonic, beyond the horizon of damnation. And so I tremble as I present The Book of Azazel."
