## I tried to stay away from him

From the day he walked into my life, I could tell that Jason "The Silencer" Stark had bad news written all over him. I told myself to stay away from him, but that's easier said than done when you're face-to-face.

The more he comes to see his little brother, the more I realize that I'm losing the battle. There has to be some heart, a shred of love within him, right?

He seems determined to self-destruct. I might not be able to stop him from killing himself inside the cage, but I'll be damned if I lose him without a fight.

*The Silencer is a full-length 50,000 word novel. It is complete with NO cliffhangers. There are also two bonus stories included*
