Eternal Service: A COLONY Series Paranormal Romance (COLONY Vampires Book 1) Regina Morris

If you're looking for suspenseful and sensual vampire romances, this is the series for you! >/b>

Sexy, hot vamps protect the President in this sensual vampire romance!

Vampires exist among us. They can be your neighbor, your best friend, a teacher for your child, etc. They alter their aged appearance based upon the amount of blood they consume. They move to a new area, drink a lot of blood, and appear young. Slowly they limit their intake of blood and age, right in front of our unsuspecting eyes. After decades, they fake their death, move, and do it over and over again.

Most live quiet lives in an effort to blend in. Some however want power and control.

The Colony is an elite group of vampires sworn to protect the President of the United States from these rogue vampires.

The COLONY Series is a suspenseful and sensual vampire fiction series that has earned five star reviews from fans of some of the best paranormal romance series like "Love at Stake", the Argeneau series, and the "Black Dagger Brotherhood."

When Raymond Metcalf, vampire coven master of the Colony, teams up with a federal operative of the human female persuasion-who has no idea that vampires even exist-will his mission or his heart be compromised first?

Career military woman, Alex Brennan, is being offered the promotion of a lifetime and with it a romance that she has desperately been seeking. Does she dare accept the position as Director of the Colony, an elite group of deadly creatures of the night and risk a dangerous romance with a man who is not even human? Together, can they save the President?

This novel is for individuals 18+ years of age as it contains sexual content. It is a light-hearted (non-dark) romance and should not be considered a political thriller. Although there are references to the President, presidential procedures, the White House and Washington DC, the political arena is a backdrop for the romance. With that said, there is action and suspense in the novel that adds a dimension of excitement to the hot romance.

Other books in the series:

- #2) United Service
- #3) Enduring Service
- #4) Williams' Tale
- #5) Reliant Service
