Greatness Quest - A Journey To Become Your Best: 12 Ways To Improve Your Life And Your Business (The Entrepreneurs Guide to Business Success) (Volume 2) Mr. Trevor Crane

I'm so excited to share this book with you. Greatness Quest was inspired by a letter from my grandfather. Before he passed away, at the ripe old age of 92, my grandpa sent me a letter sharing his best memories and a list of the magic moments that made his life magnificent. His letter inspired me and changed my life. I hope this book inspires you... to be, do, have and give... more than you ever thought possible. It's my free gift to you. Please pay it forward, -Trevor Trevor Crane interviews extraordinary business leaders and entrepreneurs, extracting their success secrets to success so you can unleash them in your business and in your life. You can be stronger. You can be richer. You have no limits... except the ones you set for yourself. Learn the secrets to break all barriers. YOU WANT MORE. YOU CAN HAVE MORE. Improve The Quality Of Your Life 3. Upgrade Your Pier Group 4. Reignite Your Passion, Release Old BS That Used To Hold You Back -- and so much more! Trevor helped me see that my greatest gift in my business was something about myself that I thought was my biggest weakness. He helped me see that me trying to "hold it all together" was the exact thing that was blocking me from growing to where I want to be. Genuinely opening my heart is actually helping me grow my business more profitably. Thank you Trevor! Melissa Risdon Coach, Speaker, International Radio Host I have been in business since my early 20's. Over the years I have worked with lots of coaches and consultants. Trevor stands out above everybody else. His passion is like dynamite. And his advice and insights always researched and they pin point the exact solution I need. Always! When he opens his mouth, I listen! People from all over the world rely on me to save their businesses. And I rely on Trevor! Marco Robert International Speaker, Business Consultant & Turnaround Expert In less than 90 days, Trevor helped me completely systemize my sales and consulting process, and helped me close a number of new clients worth hundreds of thousands of dollars in sales, and sure to grow significantly over the next 12 months. The best part is, I don't feel like I'm selling anymore as I've transformed the whole conversation into that of a Trusted Advisor, giving advice and making recommendations, instead of trying to "get the sale." Trevor merges the art and science of sales and influence, so that it's duplicatable and repeatable that makes selling easier, and certainly much more profitable. I highly recommend Trevor to anyone looking to increase their revenue and increase their sales. Len Gilbert COO, dprism www.greatnessquest.com
