La Tormenta Rodando Por La Cuesta: IMPRESIONES - EL SALVADOR: 1979-1981 Martivon Galindo

Rompiendo el silencio de más de treinta años, pretendo compartir mis propias impresiones de los años 1979, 1980 y 1981 en El Salvador.

El libro incluye poemas, crónicas, fragmentos personales y cancioncitas. En esta colección, no soy sólo una testigo, pero también una modesta protagonista de estos años cuando la tormenta rodaba por la cuesta.

Mi humana experiencia, llena de belleza y terror, es mostrada en diferentes papeles: como una arquitecta profesional, como profesora de diseño en la Escuela de Arquitectura, como estudiante en la Universidad Centroamericana José Simeón Cañas/ UCA, y como mujer políticamente comprometida al cambio social. Ésta es, entonces una fragmentada historia personal dentro del contexto histórico de un pequeño país consumido en las llamas de la lucha por una mejor patria.
