So much of God's Word references gardens. From the garden of Eden to the garden of Gethsemane--from the garden of the tomb to the garden described in Revelation--gardens are surely important to God.

In addition to the mention of these gardens, Jesus often referenced seeds, soil, sowing, and other agricultural topics in His parables, those earthly stories with heavenly meaning.

In short, there is much for us to learn about life from gardening.

As the Master Gardener, God can and will take the chaos of our lives and turn it into a bountiful harvest for His Kingdom as we allow Him access to our hearts and lives.

Join us on this 31-day devotional journey as we use the basics of gardening to better understand God's work in our lives.
