King. These snapshots capture his fatherly side, joys of acknowledgement, and the love he expresses when playing his infamous guitar, Lucille.

The book highlights the extensive travel throughout the continental United States and abroad...recalling humorous, emotionally touching, and family events. On the road, Rita has had the wonderful pleasure of meeting and photographing many musical greats, such as Ruth Brown, Bobby Blue Bland, Luther Vandross, and so many others who visited her father in her presence. At the time of this publication, she discovered that many of those photographed were diabetic. This would include Miles Davis - Trumpeter, Luther Vandross - Singer, Mick Fleetwood - Musician, Bo Diddley - Singer and Les Brown - Motivational Speaker. Therefore, Rita would like to encourage adolescents to triumph the obstacles of diabetes by sharing her pictures of these musicians, who became "Who's who" in the world while overcoming their challenges with the life changing disease.
