Once upon a time, wolf shifter Lia Woolsey fell in love. More specifically, she met her mate and settled down with him in a small town far from the bustling big city she's always known. But she never thought she'd be the kind of woman to give up everything for a man--not even Connor, the mate of her heart, soul, and body. Five years later, she's been offered a once-in-a-lifetime career opportunity she can't turn down. Not even if it means leaving Connor behind and shattering her own heart.

Connor Lowe has everything a wolf shifter could want. His place in the Black Mesa Wolf Pack is secure, his deeply committed work as a doctor running a low-income medical clinic fills his days, and his mate, Lia, lights up his entire life. He's the world's happiest wolf--but his mate isn't. And he loves her too much to stop her from leaving to follow her own bliss, even though he knows his days will darken into nothingness each moment she is away from him.

As the frozen longest night of the year approaches, Connor and Lia face an impossible choice...the kind only winter solstice magic might be able to fix before it's too late.
