**The Duty and Destiny Series:** By Andrew Wareham, the author of the highly acclaimed, 'A Poor Man at the Gate Series.' **Please Note:** The novels are best read in series order

The Duty and Destiny Series is a superbly-crafted collection of historical novels with a strong naval/seafaring theme. The series follows the naval career, loves and business dealings of Englishman, Frederick Harris, a brave but reluctant mariner. Despite his disinclination, he is seemingly destined to become a Master and Commander of his own ship.

## Book One - The Friendly Sea:

The second son of a Hampshire landowner, Frederick Harris has no expectations worthy of the name. He takes to the sea as a profession, rather than from love of the seafaring life. Early in the French Revolutionary War he seizes the chance to shine in a bloody sea battle. After promotion, he is sent to the Caribbean where he gains further promotion and the patronage of a senior admiral.
