The Water's Lovely

Ruth Rendell

The Water's Lovely Ruth Rendell

When Ismay thinks of that terrible day, and she often does, she remembers Heather coming down the stairs, her dress wet, her face as still and white as a porcelain mask. Sometimes the memories return in a dream: climbing the stairs, following her dripping-wet sister to the upstairs bathroom. But when Heather opens the door, they are standing in a marble chamber on the edge of a glassy lake. Ismay watches as a white thing floats toward them, its face submerged. She looks into the water and sees her stepfather Guy's face, his lifeless, frightened eyes, staring up at her.

Now, nine years after Guy was found dead in the bathtub, she and Heather still live in their childhood home, and to this day, the two sisters never talk about what happened. Although Ismay finds herself feeling intensely protective of her little sister and of the secret they share, their lives move placidly, even happily, forward. It seems as if the mysterious death of their stepfather is behind them. But when Heather becomes seriously involved with a man for the first time, Ismay's long-repressed memories can no longer be ignored. With painful inevitability, the surprising truth will emerge, whether Ismay wants it to or not.

From reader reviews:

Pamela Adair:

In this 21st century, people become competitive in each and every way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of often the crowded place and notice by surrounding. One thing that occasionally many people have underestimated it for a while is reading. Sure, by reading a publication your ability to survive improves then having a chance to stand out is high. For you personally who want to start reading any book, we give you this particular The Water's Lovely book as a beginning and daily reading book. Why, because this book is greater than just a book.

Tonya Deschamps:

As people who live in the particular modern era should be up-to-date about what is going on or facts even knowledge to make them keep up with the era and that is always change and move ahead. Some of you maybe will probably update themselves by studying books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This The Water's Lovely is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Carla Ramirez:

People live in this new morning of lifestyle always make an effort to and must have the time or they will get a wide range of stress from both daily life and work. So, when we ask do people have spare time, we will say absolutely without a doubt. People is human not really a huge robot. Then we consult again, what kind of activity have you got when the spare time coming to you of course your answer will probably be unlimited right. Then do you try this one, reading books. It can be your alternative with spending your spare time, typically the book you have read is usually The Water's Lovely.

Mark Bock:

As we know that a book is an important thing to add our information for everything. By a reserve we can know everything we wish. A book is a list of written, printed, illustrated or maybe blank sheet. Every year has been exactly added. This book The Water's Lovely was filled regarding science. Spend your free time to add your knowledge about your technology competence. Some people have various feelings when they read some sort of book. If you know how big a good thing about a book, you can really feel enjoy to read a book. In the modern era like now, many ways to get a book that you just wanted.
