Tory Insurgents: The Loyalist Perception and Other Essays, Revised and Expanded Edition Robert M. Calhoun, Timothy M. Barnes, Robert Scott Davis

Building on the work of his 1989 book *The Loyalist Perception and Other Essays*, accomplished historian Robert M. Calhoun returns to the subject of internal strife in the American Revolution with *Tory Insurgents*. This volume collects revised, updated versions of eighteen groundbreaking articles, essays, and chapters published since 1965, and also features one essay original to this volume. In a model of scholarly collaboration, coauthors Calhoun, Timothy M. Barnes, and Robert Scott Davis are joined in select pieces by Donald C. Lord, Janice Potter, and Robert M. Weir.

Among the topics broached by this noted group of historians are the diverse political ideals represented in the Loyalist stance; the coherence of the Loyalist press; the loyalism of garrison towns, the Floridas, and the Western frontier; Carolina loyalism as viewed by Irish-born patriots Aedanus and Thomas Burke; and the postwar reintegration of Loyalists and the disaffected. Included as well is a chapter and epilogue from Calhoun's seminal--but long out-of-print--1973 study *The Loyalists in Revolutionary America, 1760-1781*. This updated collection will serve as an unrivaled point of entrance into Loyalist research for scholars and students of the American Revolution.
