Dani and Levi Blackburn have slid from being in trouble to borderline hell...

They uncover hints of a dangerous conspiracy permeating the very foundation of their society. And people are disappearing, one by one...

If it weren't for Levi's twisted-genius brother and Charmin Marvin, Dani's talking cat, they wouldn't have gotten this far. At least, not alive.

Only they aren't far enough, because someone is still after Dani – and everyone connected to her.

They need to find a way to expose the massive cover up- and fast... before they are eliminated. Forever.
