Countermeasure (Single Edition): A Romantic Suspense Novel in the Countermeasure Series Chris Almeida, Cecilia Aubrey

An eccentric and reckless hacker uses his skills in search of answers to his parents' disappearance and finds love, death and betrayal along the way...

In the first novel of the COUNTERMEASURE SERIES, NSA analyst Trevor Bauer is on the hunt for answers to the mystery surrounding his parents' disappearance. Following a promising lead into the missing Bristol files, he accidentally gets on the radar of a woman too hot to handle.

Tenacious ex-CIA agent Cassandra James is in hot water. A cyber-thief stole sensitive information from her father's top client - information she was supposed to keep secure - and now she could lose her job, even if she is the boss' daughter. The only person who can help her recover the stolen data is a sexy computer mastermind who's broken through her personal security and might break her heart as well.

To track down the mercenary willing to do anything to keep both of them from recovering those files, Trevor and Cassandra must embark on a harrowing adventure that leads them across the ocean and into a world of intrigue, danger, and passion. As they close in on their target, their relationship begins to boil, jeopardizing their mission as well as their very lives. Will they learn to trust their instincts - and each other - in order to survive?

Interview with the Authors

Q - So what makes the Countermeasure Series special?

A - Countermeasure combines the best of Erotic Romance, Adventure, and Suspense into one hot single series. We write real people, not characters into our books. They are true to life and flawed, also someone you feel you can connect to and invite for a coffee just to shoot the breeze. The series has two separate, yet connected sets of books. The novels develop the bulk of the mystery and adventure in the plot. The short stories and novellas develop the characters and bare the characters' souls to you. All of their dreams, disillusion, fears are exposed in the short stories. The short stories and Novellas are also what we call Romantica. They are stories portraying a day in the life of the characters after their "I do". A mix between Romance and Erotica where you are the fly on the wall during the married couples' intimate moments. If you enjoy high heat, spicy reads involving married couples, you got to the right series.

Q - What order should I read the books?

A - We recommend you read the novels and novellas in the following order. Please note the short stories and novellas are not mandatory reads to understand the suspense arc in the novels.

- Countermeasure
- Uncharted (FREE prequel with subscription to our newsletter)
