Luca the monkey was happily playing with his hacky sack by the river when along came Mr. Crocodile, wanting to eat him! Will Luca get away from Mr. Crocodile?

This picture book is a part of a series that targets specific speech sounds.

This book targets the /k/ sound. It appears in the beginning, middle and ends of words within the story, as well as the sound by itself.

It is designed to be read aloud to a child by parents, teachers or Speech Language Therapists/Pathologists.

The aim of the series is to provide an easily accessible resource for children who may be receiving speech therapy, for children who may have delayed speech and language development, or for those parents who wish to simply provide a sound awareness activity for their child.

These books by no means take the place of therapy, but instead are designed to be an activity to be used alongside therapy, and home practice.

Check out other titles in the Speech Bubbles series for stories that target different speech sounds.
