How many peacocks in the jungle? How many seagulls in the sky? How many aliens on a faraway planet? Kids will laugh as they learn to count from one to ten. This series of books challenges kids to open their eyes and find special hidden treasures. All of the objects in the colored boxes are hiding inside each picture. Can kids spy them? Can they count them? Whether they're searching for numbered objects at the beach or spying vehicles on the road or in the sky, children will have fun learning how to count numbers with these big, bold, and brightly illustrated books.
