In the bleak winter of 1940, Nazi troops parachuted into Peter Lindstrom's tiny Norwegian village and held it captive. Nobody thought the Nazis could be defeated-until Uncle Victor told Peter how the children could fool the enemy. It was a dangerous plan. They had to slip past Nazi guards with nine million dollars in gold hidden on their sleds. It meant risking their country's treasure-and their lives. This classic story of how a group of children outwitted the Nazis and sent the treasure to America has captivated generations of readers.
